

## **Fire and Rescue Operations**

### **Mission:**

The Division of Fire and Rescue Operations provides continuous community protection from the effects of fire and other destructive events. It equally serves to provide professional emergency medical services for victims of sudden illness or injury.

### **Goals:**

- Immediate response to, and effective mitigation of, emergency incidents.
- Minimize loss of life, injury, illness, and property damage resulting from these events.
- Services shall be conducted in a courteous, competent and professional manner.
- Effective fire and injury education programs shall be provided throughout the community.

### **Implementation Strategies for FY2003:**

- Minimize emergency response times wherever possible to improve the quality and effectiveness of our services to the community.
- Implement updated Standard Operating Procedures consistent with the National Fire Service Accreditation Program.
- Utilize (new) National Fire Protection Association standard for the Organization and deployment of Fire Suppression Operations, Emergency Medical Operations and Special Operations to the Public by Career Fire Departments (NFPA 1710) for performance benchmarking.
- Focused training and preparedness for acts of domestic terrorism.

### **Budget Issues:**

- In FY2000, funding and responsibility for various activities were transferred from Technical Services to this activity.
- In FY2001, increased funding for fleet management costs (including repairs and fuel expenses).
- In FY2002, increased funding was for maintenance, replacement schedule for protective clothing, and replacement of appliances at the fire stations.
- For FY2003, increase in funding due to the addition of three new Firefighter positions to permit the staffing and operation of an additional medic unit for use throughout the lower districts in the County.
